### SCANSNAP iX100

A4 MOBILE AND WIRELESS  
SCANNER

# LIGHTWEIGHT, PORTABLE AND INTUITIVE

- > Scan wirelessly to mobile and desktop devices, cloud services and office applications
- > Scan everyday documents at 5 seconds per A4 page
- > Powerful 'GI' processor for outstanding results
- > Powered by a rechargeable battery
- > Rechargeable power unit via USB
- > Up to 260 scans per full charge
- > Choice of paper paths for when space is tight or document type dictates
- > Scan two or more small documents such as business cards simultaneously
- > Scans A3 documents: Automatically pairs A4 pages with overlapping content
- > Productive Win/Mac OS software bundle includes Quick Menu, ScanSnap Organiser, CardMinder and ABBYY FineReader

The ScanSnap iX100 weighs just 400g, has a compact design and can scan documents from business cards up to A3 (via auto stitching) through its A4 Automatic Document Feeder (ADF). It is powered by a lithium-ion battery that can deliver up to 260 scans on a full charge, and can be charged via a USB port. The ScanSnap iX100 can also automatically detect Wi-Fi networks at home, in the office and on-the-go, and only requires set-up once for each network.

## AUTOMATED SCAN FEATURES FOR PERFECT SCANS FIRST TIME

The ScanSnap iX100 comes with a host of intuitive inbuilt features that help facilitate effortless precision scanning with minimal user intervention. Pages scanned upside down for example will be rotated on screen, colour will be detected and scanned accordingly to help file size, mixed size documents from business card to A4 can be scanned and the size cropped.

## TECHNICAL SPECIFICATIONS

**Scanner type:** CDF (continuous document feeding), simplex sheetfed two way paper pass (straight path, U-turn path)
