

WELCOME TO THE KYOCERA TECHNOLOGY SUITE

ENJOY OUR HOSPITALITY

The KYOCERA Technology Suite Manchester provides a comfortable and welcoming environment in the heart of the city centre, offering all the facilities you need for a productive business meeting or event:

- > Demonstration suite showing KYOCERA products and solutions
- > Flexible space for conferences and events
- > Board room for more formal meetings
- > Small meeting room/hotdesks and breakout spaces
- > Coffee lounge
- > Free wi-fi throughout
- > Plus there is an abundance of excellent bars and restaurants in the area to suit all budgets and tastes!

SUPERB MEETING FACILITIES

Our board room, featuring a dramatic mural of the Manchester skyline, seats 16 people and has a flat screen TV/monitor and a PC with wireless keyboard and mouse. The PC has USB support and internet access.

INFORMAL MEETING AND WORKSPACE

The coffee lounge accommodates break-outs and casual meetings in a coffee-shop environment with wi-fi. Guests can help themselves to quality coffee (organic and fairtrade) and relax in comfortable chairs.

Further workspace is provided in the two “partner rooms” - one with two desks and the other with three. These can be booked for hot-desking, or used as break-out spaces for conferences and seminars.

EXPERIENCE THE LATEST DOCUMENT TECHNOLOGY

The KYOCERA Technology Suite Manchester showcases the latest innovations in document production and management. Guests can experience:

- Hands-on demonstrations of the latest printing, copying and scanning technologies.
 - Document management systems that reduce paper use.
 - Network management systems to simplify administration.
 - Security systems for confidential document production.
 - Applications developed on the KYOCERA HyPAS platform
-

PRODUCTIVE CONFERENCES AND EVENTS

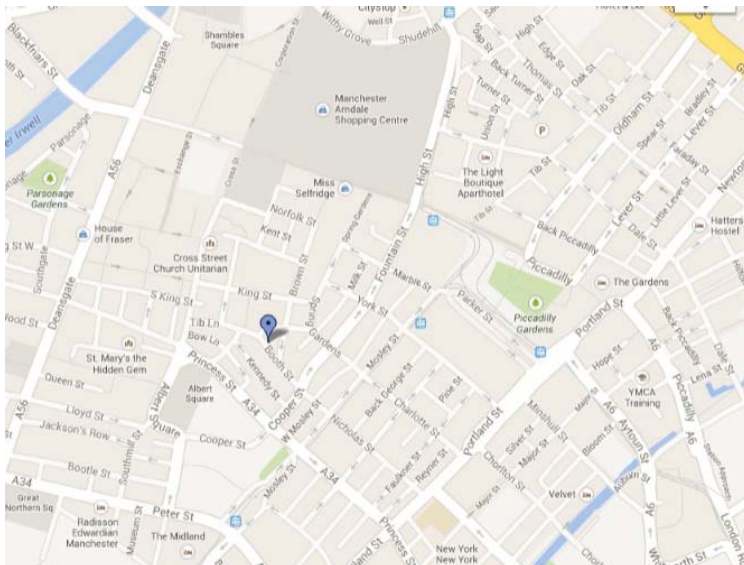

The presentation area can be configured to accommodate up to 40 people theatre style or 100 for a standing reception. Full AV support is provided for formal presentations. The meeting rooms, partner rooms and/or coffee lounge can be used to provide break-out space or serve buffets or drinks.

SUSTAINABILITY IN ACTION

KYOCERA is committed to being a good corporate citizen in all the communities where it operates. In Manchester this aim is met by providing free-of-charge use of KTS Manchester during normal office hours for events that promote sustainability or responsible business.

Unlimited tea, coffee and chilled tap water are included; any additional catering may be arranged by the user.
